

Please note that applications must be submitted via the website.  
Printed copies will not be accepted.

Alabama Power Foundation

## Online Gateway Grant Application

Welcome to the Alabama Power Foundation online grant request tool. By clicking below you will be guided through the application process.

- If you leave the webpage before completing and submitting your application, it will not be saved. The application tool does not time out unless you close your browser or leave the webpage. We recommend you assemble all information prior to beginning the process.
- You do not have to create an account or login to submit an application.
- Once you submit your application, you cannot make changes on the website. Please contact Peggy Burnett ([peburnet@southernco.com](mailto:peburnet@southernco.com)) to make changes or updates.
- A confirmation e-mail will be sent to the e-mail address you enter in the form. Please make sure it is correct.
- An easy way to create the narrative portions of the application is to type it into word processing software, such as Microsoft Word, and then copy and paste it into the application. This will allow you to check spelling and grammar.
- You will be asked to attach files on the last page of the application. Microsoft Word (.doc, .docx), Microsoft Excel (.xls, .xlsx), Image (.jpg, .png), and Adobe Acrobat (.pdf) are the **only acceptable formats** for file attachments. 25 MB is the maximum file size for each individual attachment.
- The uploads required are:

Project budget

Site photo(s)

Drawing or sketch of the signage or a photo example. (Please provide JPEG or PDF files. No technical drawings or autoCAD files.)
