

Power to Play

Welcome to the Alabama Power Foundation online grant request tool. Click below to apply for a Power to Play grant.

- If you leave the webpage before completing and submitting your application, it will not be saved.
- The application tool will not time out unless you close your browser or leave the webpage. We recommend you assemble all information before beginning the process. See the sample application on our website for required information.
- You do not have to create an account or login to submit an application. Please make a copy of your application before submitting. Copies will not be sent to you after submission.
- Once you submit your application, you cannot make changes on the website. Please contact Kim Redding at kfthrift@southernco.com or 205-257-4245 to make changes or updates.
- A confirmation email will be sent to the email address you enter in the form. Please make sure it is correct.
- An easy way to create the narrative portions of the application is to type it into word processing software, such as Microsoft Word, and then copy and paste it into the application. This will allow you to check spelling and grammar.
- You will be asked to attach files on the last page of the application. Microsoft Word (.doc, .docx), Microsoft Excel (.xls, .xlsx), and Adobe Acrobat (.pdf) are the preferred formats for file attachments. Five MB is the maximum file size for each individual attachment.
- You will be required to upload a program budget and any other supporting documentation that further explains the grant request. Please keep this to no more than four (4) pages.

Please note that by using this form, you agree to the following terms and conditions:

The ideas and information contained in this application will remain the property of the submitter. However, permission is given to the Alabama Power Foundation to use such ideas and information in any way the foundation deems appropriate, including replication of the program. Grant recipients will allow Alabama Power Foundation and its employees in the course of their employment, permission to publish or broadcast photographs or videos taken of the grant project for editorial, commercial, art and advertising purposes in any media.

Agreement with Grant Guidelines

Please certify that you have read and understand the Grant Guidelines below.

General Criteria

- The Foundation considers requests that most closely match its overall mission: to improve the quality of life of Alabamians and to strengthen the communities in which they live.
- The Foundation will consider only those grant applications that meet several of the following guidelines:
 - The project addresses needs in at least one of the following areas: education, civic and community life, arts and culture, environment, and health and human services.
 - There is potential for permanent, enduring benefits that will provide value to the community and to the state.
 - Diverse groups are collaborating on the project to achieve common goals.
 - The program can be duplicated in other communities.
 - The organization and the project clearly demonstrate sound fiscal management and accountability.
 - The organization attracts multiple sources of support for the project.
 - The project addresses underserved segments of the population, such as racial or ethnic minorities, the economically disadvantaged or citizens of rural communities.

Restrictions and Limitations

The Foundation will not support the following:

- Organizations receiving multiyear support from the Foundation. Such organizations are ineligible for another foundation grant until one year after the multiyear grant ends.
- Groups acting on behalf of an individual.
- Organizations that discriminate on the basis of race, color, creed, disability, national origin or gender.
- Churches or other religious organizations, except when they are conducting programs that are secular in nature and have broad public impact.
- Projects that affect communities primarily outside Alabama.
- Fraternal, athletic and veterans programs, except in cases where the programs provide broad public benefit.
- Political organizations, parties or causes.

Certification

By checking the yes box, I certify that I have read and understand the grant guidelines. Further, you also certify that the funds will not be used in any prohibited fashion. I also certify that the funds will be used as outlined in the grant request/proposal.
